

SofPull® Automatic Touchless Towel Dispenser

*This SofPull® dispenser will not function properly without the use of a correct SofPull® towel: 26609 or 26610. Automatic touchless towel dispenser provides operationally efficient hand drying while helping minimize the risk of cross contamination.

Description:

Wave your hand and this dispenser automatically delivers a single towel, saving the cost, the mess and the waste associated with traditional folded towels. Soft, high-quality towels deliver efficiency folded towels just can't match. These automatic, touch-free towel dispensers are the perfect choice for all offices and space constraint areas that need quick, convenient hand drying that reduces the risk of cross-contamination.

Features & Benefits:

- » Smaller profile fits great in space constrained areas
- » High tech functionality and sleek styling create a look that is highly professional and sure to impress
- » Automatic, touch free towel dispensers provide quick, convenient hand drying that helps reduce the risk of cross-contamination
- » Dispenses on average 12-inch soft, high quality towels per roll for efficiency verses folded towels
- » Easy installation and maintenance
- » Operates on 4 D-Cell Batteries (Included)
