

Georgia-Pacific Manual Soap and Sanitizer Dispenser

Spreading wellness and good hygiene

Avoid Spreading Germs

Keeping hands clean through improved hand hygiene is one of the most important steps to avoid spreading germs

The Georgia-Pacific manual soap and sanitizer dispenser delivers a controllable portion of luxurious soap, sanitizer or new bodywash and shampoo with one easy push. This dispenser is ideal for washrooms, lobbies, offices, schools, lodging facilities or anywhere you want to help create hygienic habits within easy reach.

Improve hygiene

- Hygienic, closed system helps reduce exposure to external contamination sources
- Quality soaps and sanitizer to help support proper hand hygiene
- E2 and E3 options available for food processing

Meets ADA Guidelines

- Less than 5 lbs of push force

Enhance image

- Coordinates with Georgia-Pacific towel, tissue and air freshener dispensers to enhance design

Improve operational efficiency

- High-capacity system and adjustable portion control—for fewer change outs (setting range 0.4mL & 0.7mL for foam soaps and 0.7mL & -1.2mL for lotion soap)
- Sight window allows for checking soap level at a quick glance
- Mounting bracket makes installation a breeze
- Dispenser can be removed for easy routine cleaning and facility maintenance

Now Available in Translucent White
